¡Mentor/Guide Name¿
Professor
Department of Computer Science
¡University Name¿

Date: May 2, 2014

Acknowledgements

We would like to express our sincere gratitude and thank our project guide ¡Name¿ for giving the opportunity to work on this topic. We are indebted to him for his generosity, expertise and guidance, which we have received while working on this project. ¡Add More¿ Besides our guide, we would like to thank entire teaching and non-teaching staff in the department for all their support and motivation during this work.

Abstract

This is a template for Latex based project reports. It can be used with very little background knowledge in LaTeX.
